

**Declaration of incorporation for incomplete machinery
in accordance with EC Machinery Directive 2006/42/EC, Annex II 1. B**

Manufacturer: **JAPY-TECH SAS**
Route de Gray, B.P. 18
21850 Saint Apollinaire - France

We, as manufacturer, declare in sole responsibility that the machinery

Name:	Buffer tank
Model:	150L / 300L / 600L
Type:	3300-0420-858 ; 3300-0420-861 ; 3300-0420-859 ; 3300-0420-860
Serial number:	-

complies to all relevant provisions of this and the following directives:

Relevant EC Regulations:	2006/42/EC	EC Machinery Directive
--------------------------	------------	------------------------

Applied harmonized standards, in particular:	NF EN 13732	Bulk milk coolers on farms - Requirements for performance, safety and hygiene
--	-------------	---

Other applied standards and technical specifications:	-	-
---	---	---

Remarks:	<p>We also declare that the special technical documentation for this incomplete machine has been created in accordance with Annex VII, Part B and we obligate to provide these upon reasoned request from the individual national authorities by data transfer.</p> <p>Commissioning is prohibited until it has been confirmed that the machinery into which the incomplete machine above is to be incorporated complies with the EC Machinery Directive and an EC Declaration of Conformity, Annex II. 1. A exists..</p>
----------	---

Authorized person for compiling and handing over technical documentation:

**Declaration of incorporation for incomplete machinery
in accordance with EC Machinery Directive 2006/42/EC, Annex II 1. B**

Manufacturer: **JAPY-TECH SAS**
Route de Gray, B.P. 18
21850 Saint Apollinaire - France

We, as manufacturer, declare in sole responsibility that the incomplete machinery

Name: Digital Dipstick

Model: TC / Tcool / KH / KC / KS / KR

Serial number: 3300-0521-112 / 3300-0521-113 / 3300-0521-114 / 3300-0521-115 / 3300-0521-116
3300-0511-578 / 3300-0511-579 / 3300-0511-580 / 3300-0511-581 / 3300-0511-582
3300-0511-583 / 3300-0511-584 / 3300-0511-585 / 3300-0511-567 / 3300-0511-554
3300-0511-548 / 3300-0511-521 / 3300-0511-533 / 3300-0511-545 / 3300-0511-577
3300-0511-576 / 3300-0511-591 / 3300-0511-553 / 3300-0511-570 / 3300-0511-571
3300-0511-572 / 3300-0511-573 / 3300-0511-567 / 3300-0511-586 / 3300-0511-549
3300-0511-551

complies with the following provisions of the above-mentioned Directive:
According to Annex I, points 1,2 and 4 are fulfilled.

Conformity with other relevant EC guidelines: 2006/42/EC
2014/30/EU
2014/35/UE
2011/65/UE

EC Machinery Directive
EMC Directive
Directive Low-Voltage (LVD)
Directive RoHS on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Applied harmonised standards, in particular: EN 60204-1
EN 61000-6-1
EN 61000-6-3

Safety of machinery - Electrical equipment of machines
Electromagnetic compatibility (EMC) - Immunity standard for residential, commercial and light-industrial environments
Electromagnetic compatibility (EMC) - Emission standard for residential, commercial and light-industrial environments

Remarks: We also declare that the special technical documentation for this incomplete machine has been created in accordance with Annex VII, Part B and we obligate to provide these upon reasoned request from the individual national authorities by data transfer.

Commissioning is prohibited until it has been confirmed that the machinery into which the incomplete machine above is to be incorporated complies with the EC Machinery Directive and an EC Declaration of Conformity, Annex II. 1. A exists.

Authorized person for compiling and handing over technical documentation:

**EC - Declaration of conformity for machines
in accordance with EC Machinery Directive 2006/42 /EC, Annex II 1. A**

Manufacturer: **JAPY-TECH SAS**
Route de Gray, B.P. 18
21850 Saint Apollinaire - France

We, as manufacturer, declare in sole responsibility that the machinery

Name: Modular Chiller

Model:

Type: 3253-0000-000

Serial number: -

complies to all relevant provisions of this and the following directives:

Relevant EC Regulations:	2006/42/EC 2014/68/EU 2014/30/EU 2014/35/UE	EC Machinery Directive Pressure Equipment Directive EMC Directive Directive Low-Voltage (LVD)
Applied harmonized standards, in particular:	EN 60204-1 EN 61000-6-2 EN 61000-6-4 EN378-2 EN14276-1	Safety of machinery - Electrical equipment of machines Electromagnetic compatibility (EMC) - Immunity standard for industrial environments Electromagnetic compatibility (EMC) - Emission standard for industrial environments Refrigerating systems and heat pumps. Safety and environmental requirements. Design, construction, testing, marking and documentation Pressure equipment for refrigerating systems and heat pumps. Vessels. General requirements

Other applied standards and technical specifications:

Remarks: We also declare that the special technical documentation for this machine has been created in accordance with Annex VII, Part B and we obligate to provide these upon reasoned request from the individual national authorities by data transfer.

According to PED :

- The Modular Chiller with a cooling capacity 8, 12 and 15kW is category I for fluid group 2.
- The Modular Chiller with a cooling capacity 30kW is category II for fluid group 2.
